

## MedTec Medizintechnik GmbH is in the finale of Hessen Champions as world market leader

Hessia seeks its most successful enterprises and awards them as "Hessen Champions". This year, MedTec Medizintechnik GmbH from Wetzlar is not only one of the best 61 companies but was so convincing that the top-class jury ranked it among the top 3 of the category world market leader. Now patience is required until the festive award ceremony at the Wiesbaden Kurhaus on October 30, 2018, when the final ranking is announced.

### The competition

"Hessen Champions", the innovation and growth prize of the region Hessia is presented in different categories. It searches for companies with innovative ideas, products or methods who are world market leaders in their industry or who have generated an above-average number of jobs in Hessia in proportion to their size. Companies that ensure that Hessia also plays a leading role in international competition. Another distinction for the Wetzlar-based company after the 3rd time of being TOP 100 Top-Innovator in 2014, 2016 and 2018, FOCUS Wachstumschampion 2018 and finalist at the Health Media Award 2018.

### 9 Finalists out of 61 participants

The jury with experts from economy, politics and media has chosen 9 finalists out of a total of 61 candidates this year. These 9 were given the opportunity to present their company and answer the questions of the jury in the second round at the headquarters of the Wirtschafts- und Infrastrukturbank Hessen in Wiesbaden on September 28, 2018. "The 9 finalists are already winners because they were able to prevail in that hard competitive environment of exceptional participants", says Jürgen Zabel, CEO of Mittelständische Beteiligungsgesellschaft Hessen mbH.

### Award ceremony on October 30, 2018

The final ranking will be announced at the 27<sup>th</sup> Hessischer Unternehmertag® on October 30, 2018. First Minister Volker Bouffier, Minister of Economics Tarek Al-Wazir and President of the VhU Wolf Matthias Mang will honour the winners in front of more than 1,000 guests at the Wiesbaden Kurhaus. A focus of the event is "Hessia, financial centre of Germany and the German Stock Exchange – a successful partnership for Europe?". Key note speakers will be Dr. Theodor Weimer, chairman of Deutsche Börse AG, and Hessian First Minister Volker Bouffier. Patron of the competition "Hessen Champions" is Tarek Al-Wazir, Hessian Minister of Economics, Energy, Transport and Housing. 19 years of "Hessen Champions", an impressive hall of fame and a great line-up of participants show that Hessia is a region of entrepreneurial champions, of world market leaders, job engines and innovators.

### About MedTec Medizintechnik GmbH

Founded in 1998, MedTec Medizintechnik GmbH from Wetzlar has developed from a pioneer to world market leader in the field of therapeutically used MBST magnetic resonance technology. MedTec develops, produces and distributes the worldwide unique and patented technology that is used in MBST therapy system for human, veterinary and aesthetic medicine. Doctors, specialist, medical centres, hospitals, clinics and universities put their trust in the MBST therapy system today – not only in Germany and Europe but worldwide. It is MedTec's vision to enable a healthy, active and pain-free life for patients of nearly every age with its therapeutically used MBST technology. The MBST magnetic resonance therapy achieves that in the treatment of various degenerative diseases and injuries of the musculoskeletal system without needing drugs, injections, infusions, pain killers or surgical interventions. More than 1,000,000 hours of therapy have been applied with the MBST magnetic resonance technology so far without any side effects or interactions becoming known. MedTec Medizintechnik GmbH stands for global leadership of market and technology with its worldwide patented therapeutically used MBST magnetic resonance technology.
